A screenshot of a Google Slides presentation. The slide is titled "The Ickabog" and features a book cover illustration by J.K. Rowling. The text on the slide includes "J.K. ROWLING The Ickabog" and a paragraph of text. A red arrow points to a small box that says "Scroll to next slide". At the bottom of the slide, it says "Scroll to the next slide for this week's activity." The presentation is viewed in a browser window with a video call inset in the top right corner showing a woman with glasses.

The Ickabog will be published for free on this website, in installments, a chapter at a time. It isn't Harry Potter and it doesn't include magic. This is an entirely different story. When the book is published in November, J.K. Rowling will donate all her royalties to help people who have been affected by the coronavirus.
